

Charisa King, PMHNP

435-850-9535

charisaking1@gmail.com

OBJECTIVE: Secure a PMHNP position where I can utilize my clinical skills to provide comprehensive mental health care to individuals across the lifespan.

<u>EDUCATION:</u>	Frontier Nursing University	MSN	07/2021 to 06/2023
	Weber State University	BSN	08/2016 to 04/2019
	Weber State University	ADN	08/2008 to 04/2010
	Utah State University	ADN	08/2006 to 04/2008
	BYU Idaho	ASS	07/1994 to 04/1996

PMHNP CLINICAL INTERNSHIPS:

Unity Center for Behavioral Health May 2023 to June 2023 PMHNP Student

Worked under the guidance of a PMHNP in an inpatient setting caring for people with serious mental illness. I conducted thorough assessments, developed diagnoses and treatment plans, provided brief psychotherapy and psychoeducation to patients. Coordinated with the treatment team and outpatient providers to meet the needs of highly at-risk patients.

ValueCore Mental Health: October 2022 to March 2023 PMHNP Student

Worked under the guidance of a PMHNP providing in-person and telehealth psychiatric and therapy services to individuals suffering from a wide variety of mental health disorders including bipolar disorder, depression, anxiety, ADHD, and trauma.

EMPLOYMENT:

Forest Park Healthcare at Home March 2023 to current Hospice RN

Work closely with interdisciplinary team to provide end of life care to patients throughout the community. Nursing duties included: Thorough intake assessment of new patients, creation of treatment plans, collaboration with multiple team members, and continued monitoring, treatment and education to patients and their loved ones.

Cedar Hills Hospital April 2022 to September 2022 Psychiatric RN

Work with interdisciplinary team to provide trauma-informed care to a variety of patients in a mental health/behavioral health setting. Nursing duties included: Assess patients daily, assist in creating treatment plan, administer medications and educate patients.

Canyon Home Care & Hospice Aug 1, 2019 to March 2022 RN Case Manager

Manage care of hospice patients including full admission assessment, create care plans, coordinate with an interdisciplinary team to create goals and interventions to provide excellent patient care and best possible outcomes.

Rocky Mtn Home Care & Hospice June 2010 to June 2021 RN Director of Nursing

Responsibilities include but are not limited to, supervising RN case managers, scheduling, auditing charts, compliance with CMS guidelines, and performance reviews. I also worked as an RN case manager for hospice and homecare during my time here.

Salt Lake Behavioral Health August 2011 to May 2018 Psychiatric RN

Manage and provide nursing care on a variety of behavioral health units including general psych, chemical dependence, critical care, military trauma, adolescent, and geriatric psych.
